Thank you for purchasing Louvered Piling.

Please read installation instructions completely before beginning assembly.

## IMPORTANT:

Before you begin...

- Check Local Zoning Laws.

Zoning laws may restrict the location and height of your installation, permits may also be required.

- Underground Utilities.

Dial 811 and pay to have underground utility lines marked. Even at shallow depths utility lines can be present.

- Check that all tools and materials are present to properly assemble your Louvered Piling.

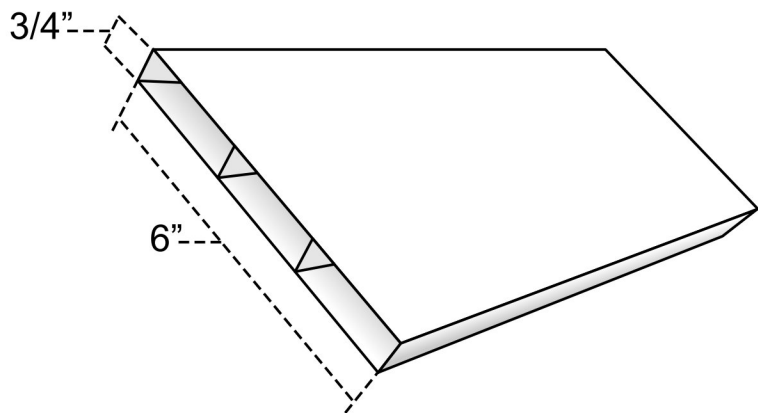

## Louvered Piling Parts and Assembly

PLEASE TAKE A COMPLETE INVENTORY OF ALL PARTS PRIOR TO Beginning ASSEMBLY. DO NOT ATTEMPT TO ASSEMBLE IF PARTS ARE MISSING OR DAMAGED.

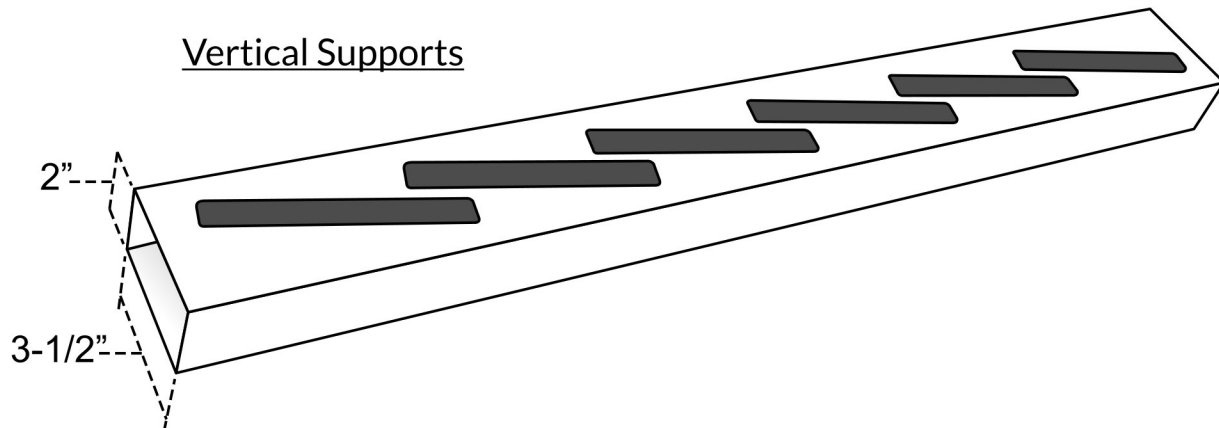

For replacement parts or assistance dial:

**1-800-499-FENCE**

Vinyl Louvers

Vertical Supports

## Assembly Instructions

### 1. Measure End to End and Deduct 1/2" From Opening.

Measure End to End and Deduct 1/2" From Opening

**Optional:** *If Installing Louvered Piling On Top Of Dirt,  
Dig Holes To Place The Supports Into.*

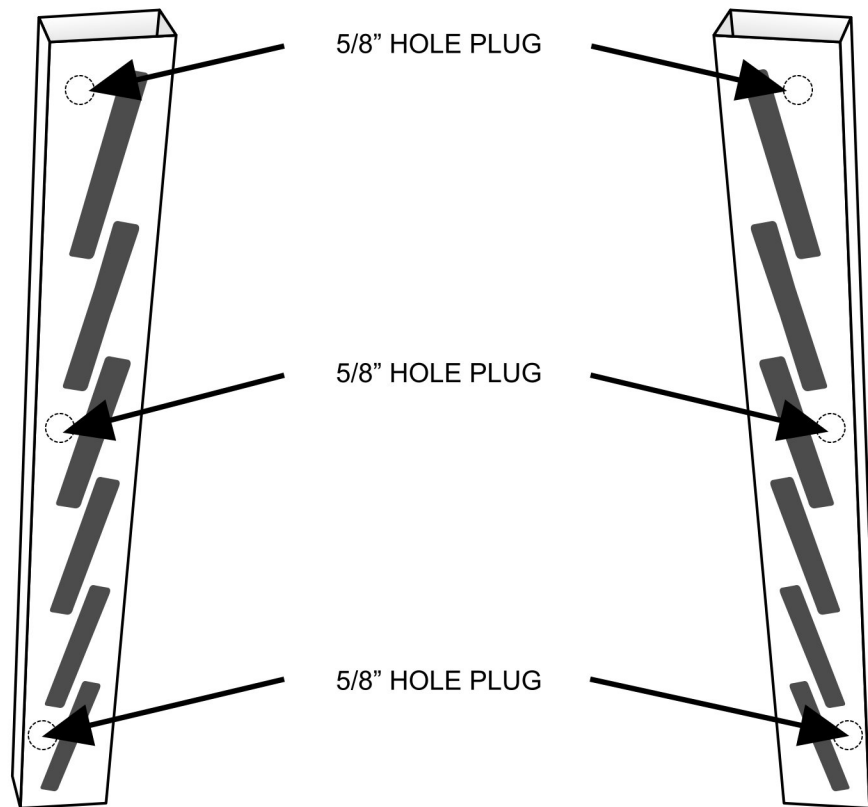

### 2. Cut Horizontal Louvers to Necessary Length.
